Urban Development; Civil Nos. 89-0369-B
and 89-0370-B, Southern District of CA
Your Claim No.

Dear Senator Feinstein:

Please accept our apologies in delaying to respond to your March 3, 1993, letter regarding the above-entitled matters.

This letter will serve to follow up on the telephone conversation between Mr. Brink and the Department of Justice. As discussed in that conversation, the United States was not properly served. The District Court has closed their files and sent them on to storage. We have no documents generated from the court because we were not properly served. This office maintains copies of various suits, appeals, petitions, etc., that have periodically been forwarded to us, however, no active litigation is presently pending in relation to these matters.

Very truly yours,

JAMES W. BRANNIGAN, JR.
United States Attorney
